

TRENDECO

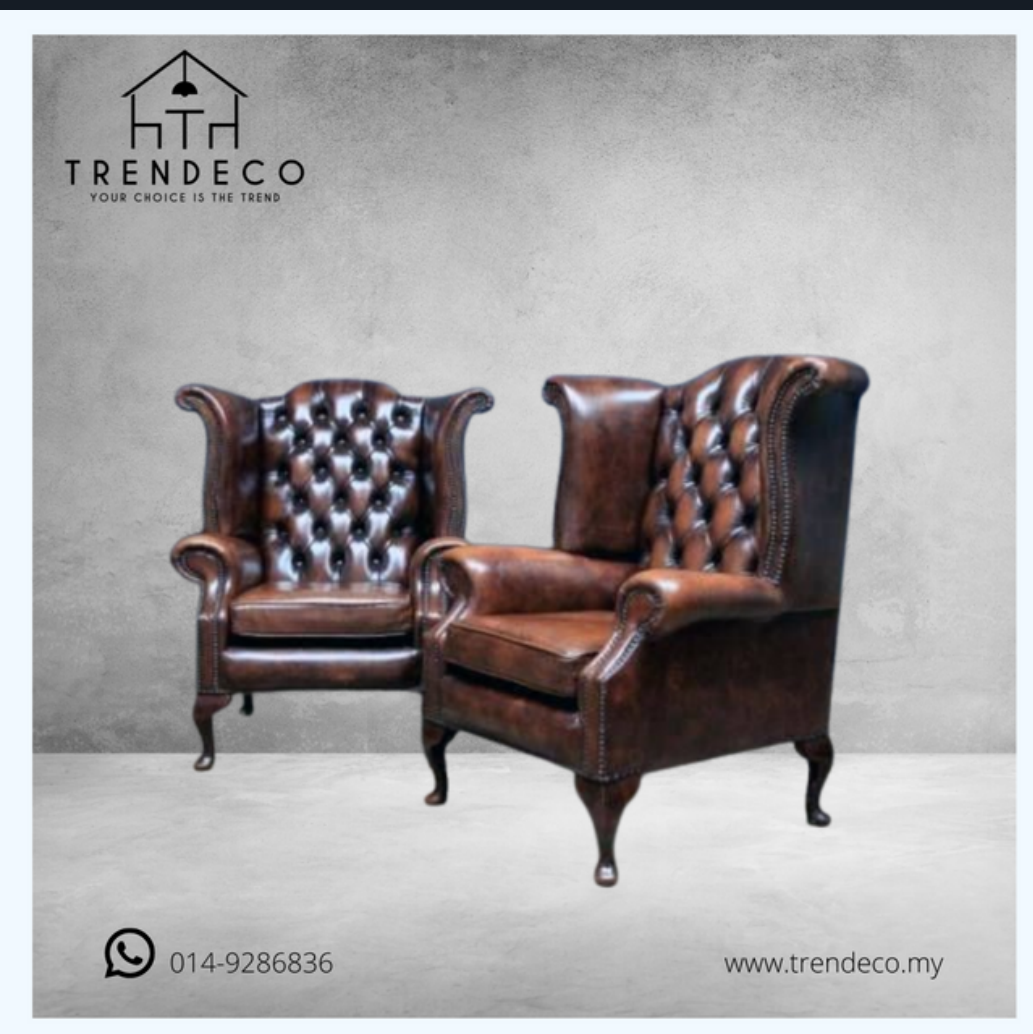

— Your choice is the trend.

ABOUT OUR COMPANY .01

Trendeco provide design and builds services for residential and commercial projects primarily providing loose furniture both for indoor and outdoor. We provides customized furniture direct from our factory for Residential, Hotel, Restaurant and Bars. The holding company for Trendeco is one of the CIDB certified G5 contractor and related authority certified for manufacturing furniture. The kitchen cabinet and sofa are the crowd puller products of Trendeco. Trendeco also provide furniture re-upholstery services as we are cult believers of green economy.
